Forecast for Sunday 03 Sep 2023

Weather: Any early mist and fog patches in the valleys, perhaps with some low cloud on western slopes at first, gradually clearing to leave a fine day with warm sunny spells and light winds. Remaining dry into the evening with a few fog patches redeveloping later in the valleys.

Chance of cloud-free hill tops above 600m: 70% at first, becoming 100% by mid-morning.

Low cloud and visibility: Areas of mist or fog at first in some valleys, with some low cloud on western slopes, base 100-300m, giving poor visibility but quickly clearing. Otherwise, likely clear views of distant hills throughout.
